

The Ultimate Credit Booster

How it works

The purpose of this guide is to help you boost your credit scores. Whether you hired someone or choose to work on your credit yourself, these are guaranteed proven methods that are designed to give you that extra boost that you need by simply doing your part regardless of prior credit history .

Whatever option you choose to open you will position yourself to balance out your Credit Utilization and Debt to Income (DTI) ratio. This will play an important part in boosting your credit score for immediate, and long term goals such as purchasing a car with a great interest rate or buying that family dream home. The list is endless.

To take advantage of this opportunity use the links and click your way into the boost that gets you closer to your dream credit score. Be sure to read all the details on each link to help you better make your choices.

Here is a brief summary on how your credit scores are calculated

- 35% is your payment history
- 30% is the amount owed or utilization
- 15% is the length of credit history
- 10% is new credit or inquiries
- 10% is the types of credit that you use

In this guide we are going to focus on the 30% by way of applying for merchant accounts, and secured credit cards. This is one of the big secrets in the industry that the credit bureaus don't want you to know about.

Guaranteed approval

Be sure to check with each company to know their guidelines in regards to bankruptcy. Some of these companies may do a hard pull which will result in a hard inquiry.

1) Merchant Card - offers a \$1,500 line of credit that reports to Equifax and TransUnion only.

COLLECTION SHIELD 360

Offers a free credit repair service

<https://www.collectionshield360.com/free-credit-repair>

Collection Shield 360 works with a network of independent, experienced consumer attorneys to provide you with 100% free attorney access.

Collection Shield 360 utilizes its experience and knowledge of laws to prepare and send credit repair disputes on your behalf, to help you remove inaccurate or unverifiable collection accounts from your credit reports.

Consumers are protected from unfair credit reporting and debt collection by the Fair Credit Reporting Act and the Fair Debt Collection Practices Act.

How it works:

Once you enroll with Collection Shield 360 and sign the authorization agreement, you create your credit repair profile using your credit reports. Each plan has a different process for creating your credit profile, as well as different dispute rates for your collection accounts. The benefits of each plan are outlined below. Decide which one works best for you.

Basic Membership: Cost: FREE = 1 Free Collection Dispute per Month. No Credit Card Required.

Premium Membership: Cost \$9.49/month = 3 Collection Disputes per month.

Bonus!

Nearly one in four Americans do not have enough credit history to generate a credit score. Over 100 million Americans struggle with their credit and are denied access to traditional financial products.

Rental Harvest was founded to address this huge problem and provide a sustainable and simple way for renters to establish and build credit history through their largest monthly payment, rent.

Rental Harvest gives you the ability to build credit with your past two years of rent payments by reporting your payment to TransUnion, and is currently working on getting Equifax and Experian on board as well

For more information on how this company will positively impact your credit score. Just hit the link below. When you sign up, use the code word creditwarriors (all lowercase to receive your valuable discount.)

WHO IS SYPREME ESSENCE?

Sypreme is graced with the ability and knowledge of channeling, and embedding her positive energy into her passions. This is why when she is writing, and consulting others, she goes above the normal standard to give herself to the world through creative means.

Sypreme began the path of helping others to improve their overall lifestyle by making positive changes to their credit. The Credit Warriors handbook, which is authored by her, serves as the blueprint to help people empower themselves by teaching them step by step, the DIY credit repair process. With a heart to see others prosper, she took a step further to create a social media forum in hopes to inspire, and empower one to break the cycle of generational poverty. The popular forum which hosts currently over 455K+members has had a success rate of 100%.

Sypreme has a high level of compassion for others and knows that people can often feel intimidated when it comes to their credit profile. They tend to ignore it as if it does not exist. They become complacent and accepting as if they are destined for failure. She strives to break the ongoing cycle in the homes of unfortunate families. Her aim is to have as many resource centers as possible across the United States to aid in helping others get placed on the path for success with their credit journey. This is only the start to many great paths for Sypreme Essence, and she strives to help the world one score at a time.
